

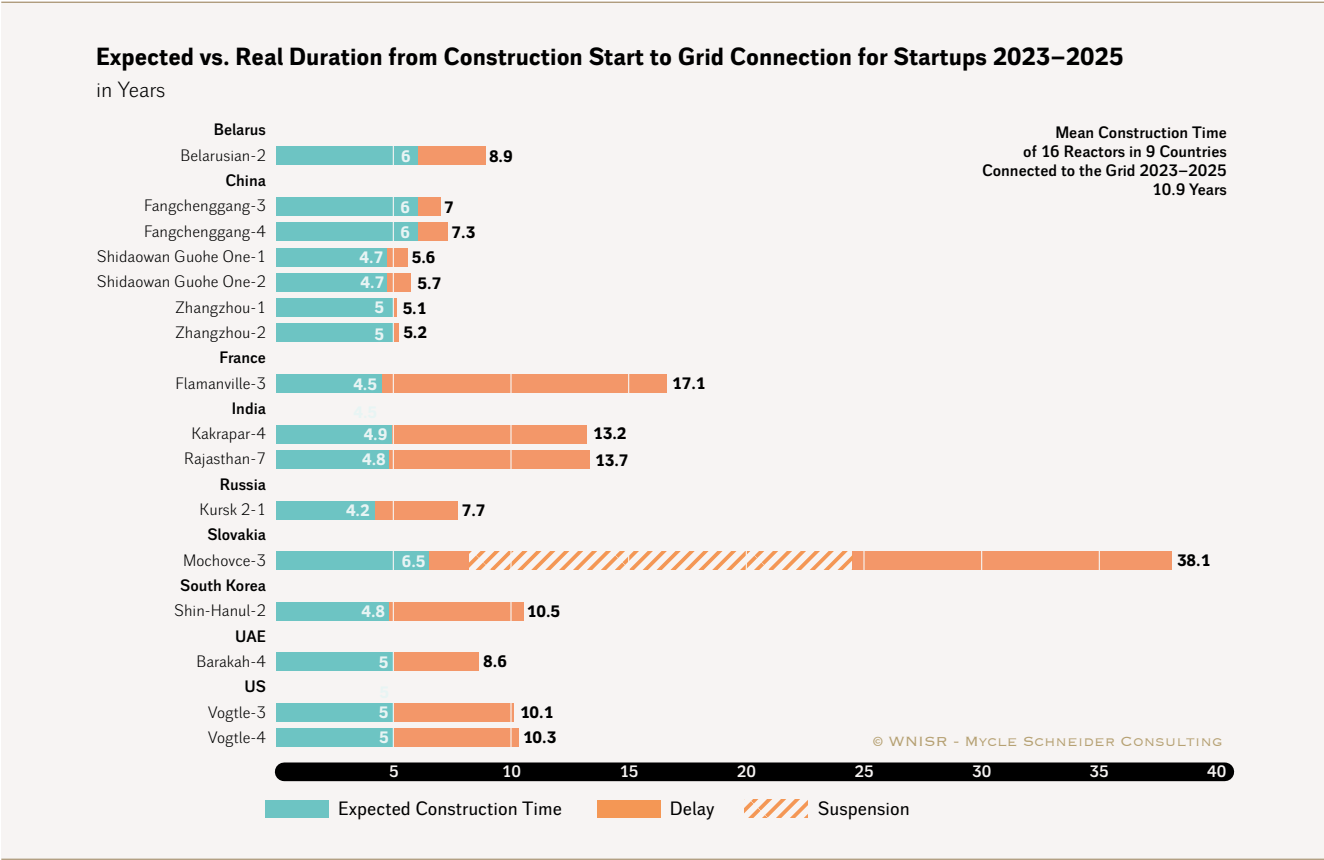

Figure 11 · Delays for Units Commissioned 2023–2025

Sources: Various, compiled by WNISR, 2026

Notes: Expected construction time is based on grid connection data provided at construction start when available; alternatively, best estimates are used, based on commercial operation, completion, or commissioning targets.

The second of the Guohe One reactor at Shidaowan was connected to the grid in the summer of 2025, but no exact date was provided.
